2008 Events

Further ranging for 2008, the UK National Championship event dates are:-

20 th April	Hook Woods, Surrey
18 th May	Blackpool, Lancashire
8 th June	Nevis Range, Fort William
20 th July	Addingham Moorside, Yorkshire
5 th October	ShIPLEY Glen, Yorkshire

On behalf of British Cycling, there will also be two rounds making up the British UCI Trials Championship:-

19 th April	Hook Woods, Surrey
17 th May	Blackpool, Lancashire

Both of these UCI events have been planned so that you can make a weekend of it, with UK National events on the following day, and to save extra travelling. Camping is available at Hook Woods for £5 per tent (very basic facilities!)

PLEASE NOTE: The entry fee for all events is £20.

Where pre-entry is given for both events in a weekend, please send only £30 for both days.

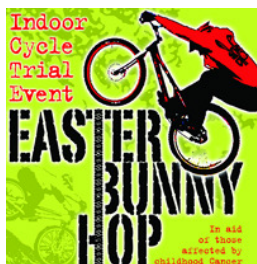

REMEMBER ... for any of these events you do not need any licences or memberships ... just pre-enter to be assured of a ride.

Entry forms for the first four events are enclosed - please remember that cheques will not be cashed until after the event. Cancellations will be accepted and cheques refunded where 24 hours notice is given by phone to the Secretary. Further entry forms will be sent out with results as the year progresses.

We held a logo competition in October, the winning logo is ...

Watch out for this on all correspondence in future!

An event not to be missed, whether you're riding or spectating! Easter Sunday, 23rd March 2008

A team arena event, we expect loads of top riders to turn up to help raise funds for those affected by childhood cancer. One of the judges and demo riders is World Champion Cesar Canas! Entry forms available on the website, bring your bike and helmet even if you're not taking part in the main event as there are loads of competitions running alongside for Bunnyhops, Sidehops, Long Jumps, and Limbo. Camping available on Saturday night at £5 per tent.
