### June 2010

#### Lee Quarry

Brilliant trial on Sunday, an excellent new venue lined up for next year. Sorry that so many of you couldn't make it, it really was a good day, with both man-made and natural sections, and loads more to go at for the next competition there. Results are enclosed.

#### Next club competition - Brimham 2-Day

The next club event is the TykeTrial annual 2-day event at Brimham on 10<sup>th</sup> and 11<sup>th</sup> July. On the Saturday we'll be having a fun-day, followed by lots of food, presentations of the 2009 TykeTrial cups and awards, and finishing off with a bonfire (and more riding if you still have the energy). Breakfast will be available from Tip Top Tasters followed by round 5 of the TykeTrial series.

Entry forms were sent out for this a while ago, so if you have already entered please ignore this – but quite a few people have reported not receiving it so we're sending it again just to make sure!

Entry forms are enclosed again, please support your club by entering this event and getting the forms sent off NOW! We know that it's not for some time yet, but for those who were members last year, you'll remember that we had no option but to cancel one day of the event after receiving only 14 entries by the closing date – we don't want to have to do that again this year. It's a time-consuming event to organise, and also very expensive to arrange so we need to know that we have your support for the event in advance. If you do book this in advance, feel free to post-date your cheque, we never bank the cheques until after the event.

#### British National - 2 days at Fort William

Well done to all club members who rode in Fort William, the club had quite a few members on the podium at this prestigious event, with thousands of spectators cheering them on, and the awards being presented by British Cycling.

#### British National – Bracken Rocks

The fourth round of the Nationals is at Bracken Rocks, near Matlock in Derbyshire on 18<sup>th</sup> July. It's a really good venue, and Mick Carthy and Brian Wright will be setting the sections for you. Get your entry off as soon as possible please to make the admin job that little bit easier!

Hope to see you there.
