#### Addingham Moorside Trial

I can't believe our luck with the sunshine – what a glorious day we had!

I was a little worried about the severity of the sections after early reports of “oh they're hard”, and several people changing classes. The results however show that they were spot on, with the scores coming in the range that we aim for (the winner in single figures and the highest scores in the 70's). Many thanks to those setting up and to the Clerk of Course for tweaking them to be so good.

Brilliant trial and hope you all enjoyed it too – thanks everyone.

#### Observers

It was brilliant to have all of the observers in advance of the pre-trial briefing. Keep it up please by bringing along an observer to events, don't make the same people do it every time, and please don't make me beg!

#### Next club competition

Your entry form is enclosed for the next trial at Penistone Country Park, Haworth on 9<sup>th</sup> May. Please make sure you send it off in good time and definitely to arrive before the closing date of Thursday 6<sup>th</sup> May. *We will not accept entries on the day.*

#### British National competition

The second round of the British National series is to be held at Addingham Moorside on 16<sup>th</sup> May – you all did brilliantly at the Club event, so make sure you enter for the National aswell!

For newcomers to the sport – please don't think that because it's a National that you won't be good enough! The classes and the rules are the same as those we run to at TykeTrial events – they may be a little bit harder, but remember it is the same for everyone attending. The main thing is that everyone has a go and enjoys the day, and competes with different people from around the country – not just from Yorkshire!

An entry form will be sent to you shortly, so make sure you send it off as soon as it arrives.

**Hope to see you all at Penistone on 9<sup>th</sup> May.**
